The Board of Councilmen of the Town of Rural Hall held a called meeting on August 27, 2018 at 10:00 AM in the Town Hall Conference Room to discuss Montroyal Road. The following members were present: Mayor Larry T. Williams - presiding; Mayor Pro Tem John N. McDermon; Councilman Timothy M. Flinchum; Councilman C. Thomas Griggs; Councilman Ricky S. Plunkett; Town Manager Megan M. Garner; and, Town Clerk Dora K. Moore.

Gus Hodges, Mayflower Seafood Restaurant owner, has requested Blythe Construction provide him with dirt to build up his vacant lot adjacent to Mayflower Seafood. Blythe Construction is the contractor for the NCDOT NC 65/US 52 intersection/bridge improvements project and has agreed to provide the dirt.

Montroyal Road that runs adjacent to the property is low as well therefore, Mr. Hodges would like to see the road built up also. Mr. Hodges has spoken to NCDOT Division 9 Engineer Pat Ivey who has agreed to do the project if the Town will fund the study.

After much discussion, Council consensus was for Manager Garner to do some legwork to determine the Town's cost and timeframe as well as NCDOT commitment. The reconnection of Montroyal Road, which has been submitted as a feasibility study request, will be looked at as well because Council feels this would be beneficial to the business park.

There being no further business, motion was made by Councilman Ricky S. Plunkett to adjourn at 10:34 AM.

Dora K. Moore
