## Rural Hall Spotlight

### Brothers Music and Trade Company

Brothers Music and Trade Company celebrated their 3<sup>rd</sup> Anniversary in Rural Hall on July 29<sup>th</sup> with entertainment by Nick Branscomb and food by Griff's DI Pie Food Truck.

Local musicians Chuck Dale Smith and Gene Vance stopped by and entertained everyone by playing a few tunes on guitar. Chuck and Gene are members of the Chuck Dale Smith Band. Chuck was also a member of the Ritten House Square Band. Mark Davis entertained visitors with a Paul Thorn song.

Brothers Music and Trade Company buys, sells, and trades musical equipment. They also buy and sell gold and silver coins, repair and clean jewelry, and will size rings.

At the front of the store is a women's boutique department that has clothes, pocketbooks and other items.

The friendly staff include Nicole Davis Prieto, Mark Davis, and Glenn Pounds. The store is located at 8096 Broad Street in the old Ledford-Styers Store building that was built in 1905. The phone number is 336-642-0063 and the email address is [brothersmusicandtrade@gmail.com](mailto:brothersmusicandtrade@gmail.com).

If you haven't visited the Brothers Music and Trade Store, you need to stop by. There is always someone there playing music. The store is open Tuesday through Friday from 10-5, and on Saturday from 10-3. Happy Anniversary, and thanks for choosing Rural Hall for your business location!

*Gardening Ideas for September.*

In the south, September can be unpredictable. Sometimes the weather is sunny and mild while other times the heat of the summer drags on or there's excessive rainfall. One thing we should do in the garden during this month is stop pruning and fertilizing, as you don't want to encourage new, tender growth just before cold weather arrives. Do continue watering plants, such as Fall vegetables that are still actively growing. Start bringing in houseplants that you have kept outdoors during the summer, but first inspect them for insects and other pests that you don't want to bring inside. Clean and store flower pots for next year. Harvest seeds and keep in a cool dry place for next Spring planting. September is a great time to plant Daffodils and Spring flowering bulbs. Add a little Bone Meal Fertilizer to the soil for bigger blooms. About the middle of the month is a great time to start work on the lawns— aerating and sowing grass seed. In addition, Autumn is the best time to plant trees. Be sure to dig the holes twice the size of the root ball. Plant level with the top of the ground and add about 4 inches of mulch pulling back away from tree trunks. Water occasionally anytime we have a dry spell for the first year. Starting in October, the Garden Club will be meeting inside at the Nazareth Lutheran Church with a guest speaker, followed by a break for refreshments then a brief business meeting.

Our family garden club has been organized for Rural Hall and surrounding area to help promote Rural Hall's theme, "Garden Spot of the World." Men, women and children (ages 12 and up) are welcome and invited to join us.
